

Dall IPSC *Challenge* Stage Briefings

General shooting areas and passageways per rule 2.2.1.5 are indicated in these briefings by yellow/red faultlines. All fault lines used for actual stage building will be red.

Several stages have reduced horizontal muzzle angles per rule 2.1.2.1. The angles are indicated by flags, and will be pointed out during the briefing. They are listed in these written stage briefings but are not shown in the stage diagrams.
